USAID/NARUC Women in Energy Regulation Internship Program

With support from the United States Agency for International Development (USAID) Energy Division/Office of Energy & Infrastructure/Bureau for Economic Growth, Education and Environment, the National Association of Regulatory Utility Commissioners (NARUC) is sponsoring two paid internship positions at the Energy Regulatory Commission (ERC) of Kenya under the USAID/NARUC Women in Energy Regulation Internship Program. Suitably qualified WOMEN from any Kenyan University are invited to apply.

Interested female candidates may visit the Energy Regulatory Commission website www.erc.go.ke and apply as guided.

The applications close on **Tuesday, 19th September 2017** at **5pm**.
